

MILCS CERTIFICATE IN TRANSLATION STUDIES

WHAT IS IT?

PART OF A **MAJOR** OR **MINOR** IN
THE FACULTY OF ARTS

It is an academic program that introduces
you to the theory and practice of translation.

If your major or minor is in **French, German
Spanish** or **Ukrainian**, you can obtain the
Certificate in Translation Studies.

CORE COURSES:

- MLCS 300 (Introduction to Translation)
- MLCS 400 (History of Translation)
- **2-3** Translation Practice courses in the language.

WHY SHOULD I TAKE THE CERTIFICATE?

The aim of the certificate is to provide
students with the academic skills necessary
to become translators.

YOU WILL:

- Be exposed to major issues in translation theory.
- Learn strategies to deal with specific translation problems.
- Become familiar with appropriate computer-based tools.

LIFE AFTER THE CERTIFICATE

- Translation is a fast-growing market
in the context of globalization.
- Opportunities to be admitted to Translation
Schools in Canada or elsewhere for further
training and specialization.
- Prepare to take the ATIA (Association
of Translators and Interpreters of Alberta)
Exam and become a professional translator.

*Apply to Graduate School
for Translation Studies!*

DO I NEED TO APPLY?

NO; you just need to check the little box
on the form you fill out before graduation!

All you need is a major or minor in **French,
German, Spanish** or **Ukrainian**, and the
required core courses to receive the certificate
upon graduation!

The certificate is also offered in Japanese
and Chinese in the department of EAS,

FACULTY OF ARTS

Department of Modern Languages
and Cultural Studies
